HOME DEPARTMENT

G.O.Ms.No.2373- Dated 23rd May, 1950

Read the following:

From the Central Road Traffic Board, No. 32335/A3/49, dated 20.1.50.

ORDER:

Under section 57 (3) of the Motor Vehicles Act, 1939, on receipt of an application for a permit, the Regional Transport Authority should make the application available for inspection and also publish the application or the substance thereof in the prescribed manner. It will not be consistent with this provision if the Regional Transport Authority who receives the application for a permit for an inter-district route transfers it for disposal to the Regional Transport Authority having jurisdiction over the major portion of the route. Besides, such transfers will indirectly affect the rights of the applicants under section 45 of the Act. The Central Road Traffic Board is therefore informed that it will not be in order to issue directions to the effect that the Regional Transport Authority receiving the application for a permit for an inter-district route may transfer it to the Regional Transport Authority in whose jurisdiction the major portion of the route lies.

2. The attention of the Central Road Traffic Board is however invited to section 63 (3) under which the provisions of Chapter IV relating to the grant of permits shall apply to the counter-signature of permits. In view of this provision, the Regional Transport Authority having jurisdiction over the major portion of the inter-district route may, on receipt of a copy of the notification issued by the Regional Transport Authority which received the application, republish it, inviting suggestions or objections from the persons affected in its region and duly consider them as in the case of regular applications for permits received by it, and intimate its concurrence or otherwise to the Regional Transport Authority which originally notified the application.

3. The Central Road Traffic Board may issue instructions to the Regional Transport Authorities on the above lines in modification of the instructions issued in its Memo.No.5616 A3/49, dated 24.4.1949.
